

Dear valued Corjay Bosch Car Service customer,

As news and warnings about Coronavirus continue to increase, we want you to rest assured that we are doing our part to curb the spread and protect our customers and employees.

To this purpose, we are implementing the following enhanced safety protocols in our workshops:

- Intensifying our already robust vehicle cleaning techniques after each service. Particular attention is being paid to frequently touched surfaces such as steering wheels, door handles and other hard surfaces.
- Increasing the frequency of workshop sanitation with recommended sanitizing products.
- Providing ongoing reminders and encouragement to employees to wash their hands regularly.
- Instructing any employees who feel ill to stay home and consult their healthcare provider.

We thank you for your continued support and look forward to a safe and healthy journey ahead.

Rest assured that you can book with confidence at Corjay Bosch Car Service.

Best regards,

Corjay Bosch Car Service
